Dear Equine Rescue,

Today I had a pony party and learned about horses and ponies from Dream Big Ponies owned by Penny Mikeman of Robstown, Texas. We met a wonderful pony named, Napoleon. We also learned basic equine safety. Then we got to ride and take pictures with him. It was so much fun!

My name is _____. I am _____ years old and in _____ grade at _____ in _____. I am asking my parents to send you a check to help with your work in rescue. I will also be telling my friends about all the things I did today and your work helping horses in need.

Have a good day and hug a horse for me.

Your friend,
